

The Scanian Economic Demographic Database (SEDD)
Terms and conditions of use

1. The researcher who uses SEDD is only allowed to handle data according to these instructions
This implies that:
 - a) The researcher is only allowed to use the data from SEDD for the research purpose stated in the “Data Request Form”
 - b) It is forbidden to pass on data from SEDD to external persons.
 - c) Data may only be published in such a way as it protects the anonymity of individuals, i.e. at statistical group level.
 - d) When publishing it must be clear that the data originates from SEDD. The citation should include the following: Tommy Bengtsson, Martin Dribe, Luciana Quaranta and Patrick Svensson, (2014). *The Scanian Economic Demographic Database. Version 4.0* (Machine-readable database). Lund: Lund University, Centre for Economic Demography.
